## Alternative Wheelbarrow Weekend June 5<sup>th</sup>- 6<sup>th</sup>

The uncertain Covid situation means that we have decided to stage a simpler event this year.

### Wheelbarrows

We want to encourage lots of wheelbarrows, which can be displayed as usual. We will not have a judge but there will be a People's Choice award. We need to know where the barrows are situated so that people can walk or cycle round, socially distanced. Maps will be available in the Market Place and at the Church with honesty boxes. There will be no distinction between adults' and children's barrows. The maps will have a space for people to enter the address of their favourite barrow.

I/we will provide one or more wheelbarrows for the 5<sup>th</sup> & 6<sup>th</sup> June, 11am – 5pm.

### Window Displays

It has also been suggested that people could display pictures or other decorations in their windows, where they were visible from the pavement, as some streets in other towns have done during Advent. This would add to the sense of occasion and be something anyone could have a go at.

I/we will put a display in our window during the Wheelbarrow Weekend.
